Turn in this form, paper-clipped to two (2) copies of your flyer. The flyer should be the same size and on the same type of paper you intend on using. The ASA will send you a confirmation and tell you the amount of postage your group has to pay. Last year's postage was \$40 to send one standard 8.5"x11" page to ~1000 undergraduates.

*** June 2004 (exact date TBD) Location TBD**

- 6-8pm Graduate
- 8-10pm Undergraduate

Your representative will attend and help us stuff all these envelopes! Have them bring the rest of the copies of your flyer. There will be a break in the middle. If your group is confirmed to send a flyer in the FYSM and your representative does not show up to the stuffing party, you will still be charged for postage.
